Our Story

What began as a UAE operation providing marine services under the name SAFEEN Group has evolved into **Noatum Maritime**, a global powerhouse offering end-to-end solutions for the maritime sector. This transformation was driven by strategic expansion, acquisitions, and partnerships with industry leaders. Our fast-paced growth and comprehensive maritime portfolio reflects our commitment to innovation and excellence.

Noatum Maritime delivers a wide spectrum of integrated services across the maritime supply chain. Our offerings include shipping, transshipment, marine services, offshore and subsea solutions, shipbuilding and drydocking, agency and other maritime services backed by sustainability-driven initiatives.

Our strength lies in our ability to combine expertise with global reach, offering clients tailored, reliable, and future-ready maritime solutions, whether onshore or offshore.
